

Select the option that fits your vehicle

How long do you plan to keep this vehicle? ____ YRS

How many kilometres do you drive per year? ____ KMS

A. Vehicle is no longer covered by manufacturer's warranty

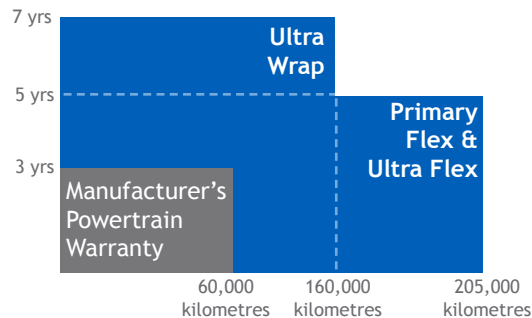

Protection for vehicles up to 10 years old. Plans begin from the vehicle service contract purchase date with the then current odometer reading.

B. Vehicle is new or still covered by the manufacturer's warranty

Primary Flex & Ultra Flex: Provides expanded and extended coverage. Plans begin from the vehicle service contract purchase date (0 kilometres) and require a balance of manufacturer's powertrain warranty.

Ultra Wrap: Coverage wraps around your remaining manufacturer's powertrain warranty. Plans begin from the vehicle's original warranty start date (0 kilometres) and require a balance of manufacturer's powertrain warranty.

Protect your new, leased or pre-owned vehicle

With GoldSeal Protection Suite, your vehicle can receive comprehensive protection against costly repairs. The variety of plans allow you to choose an option that is tailored to your needs. When the unexpected happens, this protection makes getting back on the road easy!

Benefits of GoldSeal Protection Suite

- ✓ Extended service protection for your vehicle
- ✓ Repairs can be completed in Canada and the continental U.S.
- ✓ Repair centres are paid directly by the administrator
- ✓ Transferable and renewable protection*

Option to add zero deductible which waives the \$100 deductible for each covered repair.

MECHANICAL BREAKDOWN PROTECTION

GOLDSEAL PROTECTION SUITE

Filing a claim is easy!

Quick and courteous toll-free claims process

Give us a call before any car rental, substitute transportation assistance, trip interruption assistance, or repairs are made at 1-800-387-0119 or 1-905-578-7477.

We are available to assist you Monday to Friday from 8 a.m. to 8 p.m. ET.

Have your vehicle service contract number and the current odometer reading of the vehicle handy!

Mechanical Breakdown Protection GoldSeal Protection Suite Plan

	Primary/ Primary Flex	Elite	Ultra Flex	Ultra Wrap
1. Engine Cylinder block, cylinder head(s) and all internally lubricated mechanical parts contained within the engine if damaged from within by the mechanical failure of a covered internal engine part including: pistons, piston rings, connecting rods, connecting rod bearings, crankshaft, crankshaft main bearings, camshaft, camshaft bearings, cam followers, timing chain, timing chain cover, timing belt (if in warrantable condition), timing gears, timing belt tensioner, rocker arms, rocker shafts, rocker bushings, cylinder head valves, valve guides, valve lifters, valve springs, valve retainers, valve seats, valve seals, valve covers, push rods, water pump, oil pump, oil pump housing, harmonic balancer, oil pan, intake manifold, engine mounts, dipstick and tube. (Diesel engine subject to surcharge).	.	.	.	Protected by Manufacturer's Powertrain Warranty
2. Turbo/supercharger Manufacturer installed/approved: turbocharger/supercharger housing (when damaged from within) and all internally lubricated mechanical parts including: waste gate controller, vanes, shafts and bearings.	.	.	.	
3. Transmission (automatic/standard) & transaxle (FWD) Transmission housing and transaxle housing (when damaged from within) and all internally lubricated mechanical parts including: torque converter, vacuum modulator, transmission mounts, transaxle mounts, dipstick and tube.	.	.	.	
4. Transfer case (4WD/AWD) Housing (when damaged from within) and all internally lubricated mechanical parts.	.	.	.	
5. Differential (RWD) & secondary differential (4WD /AWD) Front and rear drive axle housings (when damaged from within) and all internally lubricated mechanical parts, drive axle, drive shafts, universal joints, constant velocity joints and differential cover.	.	.	.	
6. Starter & alternator Alternator, voltage regulator, starter motor, starter solenoid and starter drive.
7. Seals & gaskets Seals and Gaskets used to contain fluids or lubricants within the listed parts of the plan and option(s) herein.
8. Car Rental & Substitute Transportation Assistance Reimbursement for expenses incurred to rent a replacement vehicle from a licensed rental agency or for alternate public transportation or taxi service while the vehicle is at a repair facility due to a covered claim. Limited to a maximum of \$40 per day (including applicable taxes) for each 8 hour period of repair time to a maximum of \$200 for each repair visit (including applicable taxes).
9. Trip Interruption Assistance On covered claims only. Reimbursement of unplanned lodging and restaurant expenses up to \$50 per day (for a maximum of four days), \$200 per occurrence and \$500 during the term of this plan. Vehicle must be 300 kms from your residence at the time of breakdown, labour time allocated must exceed 8 hours and result in the repair facility keeping your vehicle overnight.
10. Roadside & Towing Assistance Towing, battery boost, lockout, emergency fuel delivery (doesn't cover cost of fuel), flat tire service/repair or installation of spare, winching (doesn't cover off road use). Limited to \$75 per occurrence and up to \$375 over the term of contract.
11. Air Conditioning System Condenser, compressor, compressor clutch and pulley, evaporator, idler pulley and idler pulley bearing. The following parts are also eligible if they are required in connection with the repair of an eligible part listed above: accumulator/receiver dryer.	Option	.	.	.
12. Rear Air Conditioning System Manufacturer installed / approved: auxiliary rear unit, evaporator and accumulator/receiver dryer.		.	.	.
13. Steering System Steering box/housing, rack and pinion gear/housing and all internal lubricated mechanical parts, power steering pump, power steering motor, upper and lower steering shafts and couplings.		.	.	.
14. Brake System Master cylinder, power brake cylinder, vacuum assist booster, hydro boost, disc brake callipers, wheel cylinders, compensating valve, brake hydraulic lines and fittings.		.	.	.
15. Electrical Systems Front and rear window wiper motors, window wiper washer pump, power window motors, power seat motors, power door lock actuators and oil pressure switch.		.	.	.
16. Fuel Systems Gasoline fuel pump, fuel injection pump, fuel injectors, vacuum pump, metal fuel delivery lines and fuel pressure regulator. (Diesel engine subject to surcharge).		.	.	.
17. Heating & Cooling Systems Engine cooling fan motor, cooling fan clutch, fan shroud and coolant recovery unit.		.	.	.
18. High Tech Parts Automatic climate control programmer, electronic instrumentation cluster, distributor, ignition coil, electronic combination entry system, cruise control engagement switch, transducer, servo, main dashboard digital display cluster, convertible top motor, factory installed power sunroof motor, rear defroster switch, power window switches, power seat switches, power door lock switches, internal transmission/transfer case electronic engagement components, four wheel drive actuator, high/low pressure compressor cut-off switch, pressure cycling switch, ABS exciter rings, ABS wheel speed sensors, ABS hydraulic pump/motor assembly, electronic ignition module, window wiper washer pump switch, stop lamp switch, head lamp switch, turn signal switch, manual heater/air conditioner blower speed switch, manual heater/air conditioner control assembly, horns, blower motor, power steering motor, throttle position sensor (TPS), crankshaft position sensor (CPS), idle air control (IAC) motor, electronic spark control detonation sensors, electronic anti-detonation sensors, electronic anti-theft module (factory installed only), oil pressure sending unit and temperature pressure gauge sending unit.		Option	.	.
19. Suspension Parts Front suspension, upper and lower control arms, control arm shafts and bearings or bushings, upper and lower ball joints, torsion bars and mounts or bushings, stabilizer bars, links and bushings, spindles and spindle supports, wheel bearings, steering knuckles, pitman arm, idler arm and drag link.		Option	.	.
20. Interior & Exterior Parts Speedometer cable, hood latch and release cable, trunk latch assembly, jack and fuel door latch.			.	.
21. Ultra Parts Flywheel/flexplate, electronic shift control unit, transfer case mounts, expansion valve, engine control module, exhaust manifold, powertrain control module, drive belt tensioner, radiator, oxygen sensor, blower motor resistor, electronic level control compressor and compressor limiter valve.			Option	Option
22. DVD/Navigation/Bluetooth Parts Manufacturer installed / approved: manufacturer original installed components.			Option	Option
23. Hybrid Electric Parts Electric motor, power controller, hybrid transaxle, electronic transmission and inverter generators.	Option	Option	Option	Option
24. Tire & Rim Repair Repair or replacement of tire or rim due to road hazard damage resulting in a tire that goes flat (loss of air) or a rim that will not seal resulting in air loss.	Option	Option	Option	Option
25. Zero Deductible Waives the \$100 deductible on each covered repair.	Option	Option	Option	Option
