

What you need to know before making a decision

How long do you plan to keep this vehicle?

How many kilometers do you drive per year?

If your vehicle is no longer covered by the Manufacturer's warranty

Protection for vehicles up to 20 years old

If your vehicle is new or still covered by the Manufacturer's warranty

These plans start with the vehicle's original in-service date (0 Kilometers)

Protect your new, leased or pre-owned vehicle*

Mechanical Breakdown Protection can cover your vehicle long after the manufacturer's warranty ends. With flexible options that suit your lifestyle, you won't have to worry about costly repairs. The variety of mechanical breakdown benefits will help you enjoy your vehicle for along time!

Benefits of a Mechanical Breakdown Plan

- ▶ **Convenience:**
 - Service repairs across Canada and the U.S
 - Worry free protection against unexpected repairs
- ▶ **Confidence:**
 - Repair centers paid directly
 - Take your vehicle to your preferred service centre
- ▶ **Value:**
 - Coverage is transferable and renewable*
 - Towing assistance and trip interruption

Protect yourself from rising vehicle repair costs

Estimated average repair costs:

Engine	\$4,000 - \$9,000
Transmission	\$2,000 - \$6,000
Differential	\$1,600 - \$2,500
Air Conditioning	\$800 - \$2,500
Fuel Pump	\$500 - \$1,200
Steering	\$700 - \$1,600
Starter	\$700 - \$1,200
Water Pump	\$600 - \$1,000

Filing a claim is easy!

Quick and courteous toll-free claims process

Give us a call before any rental/trip interruption assistance or repairs are made at 1-800-387-0119 or 1-905-578-7477

We are available to assist you Monday to Friday from 8 a.m. to 8 p.m. ET.

Have your vehicle service contract number and the current odometer reading of the vehicle handy!

26. RV		Option		Option		

1. ENGINE

Cylinder block, cylinder head(s), intake manifold, valve cover(s), oil pan, all internal lubricated parts if damaged from within by the mechanical failure of a covered internal engine parts including: crankshaft and main bearings, camshaft and bearings, connecting rods and bearings, timing chain(s) and gears and tensioner, valve lifters and push rods, intake and exhaust valves, valve springs and retainers, valve guides, pistons, rings and pins, rocker arm assemblies, oil pump, water pump, timing belt (if in warrantable condition).

2. TRANSMISSION (AUTOMATIC/ STANDARD)

Transmission case/housing, all internal lubricated parts if damaged from within, torque converter, modulator valve, solenoid packs.

3. TRANSAXLE (FWD)

Housing and all internal lubricated parts if damaged from within torque converter, modulator valve, solenoid packs.

4. DIFFERENTIAL (RWD)

Pot Housing and all internal lubricated parts if damaged from within.

5. SECONDARY DIFFERENTIAL (4WD/AWD)

Pot Housing and all internal lubricated parts if damaged from within.

6. TRANSFER CASE (4WD/AWD)

Pot Housing and all internal lubricated parts if damaged from within.

7. TURBO/SUPERCHARGER

Manufacturer installed/approved: housing and all internal lubricated parts if damaged from within.

8. TOWING /ROADSIDE ASSISTANCE

On covered claims only. Valid receipts will be required for reimbursement.

9. TRIP INTERRUPTION ASSISTANCE

On covered claims only. Reimbursement of expenses including: lodging, meals, alternative transportation and phone calls.

10. SEALS & GASKETS

Seals and gaskets used to contain fluids or lubricants within the covered parts of the plan and options(s) purchased.

11. AIR CONDITIONING SYSTEM

Manufacturer installed/approved: compressor, compressor clutch, compressor bearing and pulley, condenser, evaporator.

12. STEERING SYSTEM

Gear housing & all internal lubricated parts, rack/pinion & all internal lubricated parts, power steering pump.

13. BRAKE SYSTEM

Master cylinder and reservoir, wheel cylinder, disc brake calipers, proportioning valves, assist booster, steel lines & fittings.

14. ELECTRICAL SYSTEM

Alternator and voltage regulator, starter motor and solenoid, front wiper motors and front washer pumps, heater motor and fan, electronic ignition module, electric radiator & condenser fan motors, front power seat motors.

15. FUEL INJECTION SYSTEM

Pressure regulators, fuel injection lines and fuel injectors, fuel injection/distribution pumps & fuel pump.

16. ADDITIONAL PARTS

Motor mounts, transmission mounts/flexplate/flywheel, transfer case mounts, transaxle mounts, torque struts, timing chain/belt tensioner, timing cover, engine dipstick, harmonic balancer/pulley, exhaust manifolds, oil pressure gauge sending unit, temperature gauge sending unit, axle shafts, internal engine oil cooler, drive shaft, universal joints, hanger bearing, constant velocity joints/boots, wheel bearings, Front/Rear Suspension: Upper and lower control arm shafts, upper and lower ball joints, steering knuckles.

17. XP PARTS

Starter motor and solenoid, alternator and voltage regulator, oil pressure gauge sending unit, temperature gauge sending unit, CV joints, drive shaft, axle shaft.

18. HI-TECH PARTS

Factory or dealer installed engine mounted electronic cruise control components (non adaptive), automatic temperature control/ programmer dash display unit, main dashboard digital display cluster (excluding: heads-up display), power door lock actuators and switches (excluding: power sliding doors, power lift-gate/hatch), power window motors and switches, power seat switches, power sun roof motor and switch, electric trunk actuator, ignition switch, window regulator(s), fuel pump, ABS pressure regulator and pump, internal transmission/transaxle/transfer case electronic engagement components,

wastegate controller, abs sensor rings, wheel speed sensor(s), camshaft / crankshaft position sensor.

19. ULTRA-TECH PACKAGE

Adaptive cruise control components, navigation/display head unit and LCD touch screen/monitor, navigation interface control module, GPS control module, Bluetooth control module, Wi-Fi control module, exterior power mirror motors, heated mirrors, tire pressure control module, blind spot sensor(s), front collision avoidance sensors, back-up camera, front/rear park assist sensor(s), keyless door entry sensor(s), door keypad & receiver, fuel injection electronic control module, oxygen sensor(s), transmission control module, power sliding door & liftgate motor(s), convertible top motor(s), headlamp wiper motor(s), load leveling compressor.

20. HYBRID/ELECTRIC PARTS

Electric motor, hybrid power controller, hybrid transaxle, electronic transmission, inverter generator(s)/controller, electronic display monitor, hybrid electric motor(s), battery control module, battery pack cooling fan, DC/DC converter, onboard charger/fan ; excluding: all batteries.

21. ZERO DEDUCTIBLE

Waives the deductible on each covered repair.

22. CAR RENTAL & TAXI ASSISTANCE

Reimbursement for expenses incurred to rent a replacement vehicle from a licensed rental agency or for alternate public transportation or taxi service while the vehicle is at the repair facility due to a covered claim.

23. \$5,000 PER CLAIM LIMIT

Increases the per claim limit to \$5,000 on a covered claim per repair visit.

24. \$7,500 PER CLAIM LIMIT

Increases the per claim limit to \$7,500 on a covered claim per repair visit.

25. \$10,000 PER CLAIM LIMIT

Increases the per claim limit to \$10,000 on a covered claim per repair visit.

26. RV

Refrigerator, furnace, hot water heater, propane stove, roof air conditioning unit. Units to be repaired not replaced. RV Coverage not available to Alberta residents. For units with no Powertrain components the following parts will be covered: wheel bearings, axle and springs.

*Please refer to the Terms and Conditions for detailed terms, conditions, limitations and exclusions.
